THE VOICE OF COUNCIL #9475

VOLUME 18

NUMBER 7

GRAND KNIGHTS REPORT

Dear Brother Knights and Families:

What an honor it is to be addressing you as your newly installed Grand Knight. Please pray for me so that I do my best to earn the trust you have placed in me to lead this great council during the coming fraternal year.

This past year has been a great success thanks to the hard work of so many. First let me thank our immediate past Grand Knight Joe Harkins for his leadership. Under his watch your council held more events than I could begin to name here with the most important result that we returned over \$9000 to our churches, religious, community, and individuals in need. This is a record in which we can all share and be proud. Thanks must also go to Bob Brimmer, John Murphy, and Jack McDermott who just completed their term as officers.

Our installation dinner was a great success with almost 40 in attendance. The hall was beautifully decorated thanks to Tom and Fran Franzone and Joe and Peggy Harkins. I also appreciate the presence of my wife Melinda and my daughters Lisa and Katie at this important time for me. I'd also like to thank Deacon and Brother Knight Robert Higgins for his assistance in the installation.

A little personal history. I joined the Knights in 1989 soon after a group, mostly KofC members, journeyed from my upstate parish to assist with Hurricane Hugo cleanup. In 2000 a corporate move brought Melinda and I to Mount Pleasant from Orlando, Florida. Two of our three daughters were already living in the lowcountry and our youngest daughter soon followed. Becoming active in the Knights was a first priority and thanks to Tom Franzone I was welcomed into our council. Since then Melinda and I have developed many great friendships with brother knights and their wives. This is a great council and I urge all my brother knights who aren't already active to join in on the fun and to do so soon!

I along with my fellow officers will work hard to make this fraternal year a great one. We're already working on a ladies retreat at Mepkin Abbey, spaghetti dinners, and participation in Mount Pleasant's Christmas parade. I would welcome your ideas for other activities. You can reach me at 270-9834 or ngwhitman@yahoo.com

May God bless you all,

Neil Whitman
Grand Knight

KNIGHT OF THE MONTH

The Knight of the Month for June is Paul Midghall. He is a Fourth Degree Knight and is an active member of Stella Maris Church, where he and his wife, Marianne, are daily communicants. Following a very successful career in the international business community, Paul retired to the Charleston area in 1995.

Paul was very aware of the Knights of Columbus at an early age. He and his six siblings were beneficiaries of the Knights of Columbus insurance program. In 2003, Paul became an active member of Council 9475 and his life of service continues.

At the Parish level, Paul is involved with the Bible study group at Stella Maris and is an active member of the Men's Club. At the community level, Mepkin Abbey is the recipient of Paul's services where he is a docent and serves on the Store Management Committee.

Pope John Paul II declared 2005 as the year of the Eucharist and put out a call for action. Paul responded by servicing on the Year of the Eucharist Committee, which managed special studies, and Adoration of the Eucharist. As you remember, Paul was instrumental in organizing a one-day retreat centered on the Eucharist at Mepkin Abbey. Fifty brother Knights participated in that retreat.

Most recently, Paul joined the board of Birthright of Charleston. This is an organization that counseled over 500 Charleston women last year to avoid abortion.

The right to life is a major plank of the Knights of Columbus and our Knight: Paul Midghall is doing something about it.

CONGRATULATIONS PAUL !!!!!

HOLY EUCHARIST PRESENCE OR REALITY?

Before modern times, there were two major crises of faith in the Real Presence of Jesus Christ in the Eucharist. The first was in 1088 when theologians in France expressed doubt about the reality of the Blessed Sacrament. The second time was during the Reformation five centuries later. Pope Gregory VII ordered a declaration of faith in the first instance. The Council of Trent again reaffirmed the Reality of the Christ in 1564. In modern times Pope Paul VI reaffirmed this belief as a cornerstone of the Catholic faith in his publication, *Mysterium Fidei*.

Reality is the doctrine that the Eucharist is Jesus Christ. Presence refers to the spirituality of the Host. Transubstantiation is the belief that what was bread and wine before the Consecration has become the body and blood of the Christ, while retaining their outer appearances. Thus, the fundamental belief of the Catholic faith is that the Eucharist is both the reality and the presence of Jesus Christ. A priest is not only a minister of the Word but is primarily responsible for maintaining our relationship with the Eucharist through the Consecration during Mass.

GARDENING COLUMN

by

Peggy Kiser, Clemson University Master Gardener

Continue to pinch mums back until mid-July. Then, where there are multiple buds, remove all but one for larger blooms. Roses should be watered every 4-5 days and fertilized every two weeks.

Cut back and fertilize spring-flowering bulbs after leaves turn brown. If needed, divide.

If you see white cottony growth on new foliage of crape myrtles, it is powdery mildew. Spray with Banner Maxx or Fertilome Systemic Fungicide.

Always read labels. They give important information: What to wear when using. When to mow before and after using. Should product be watered in. How much to use.

Since Hurricane Season has started, inspect trees for damage. Trim any dead or damaged limbs now.

With warmer weather your lawn mower should be raised; for centipede - 2 inches; St. Augustine - 4 inches; Bermuda - 1-2 inches; Zoysia - 1-3 inches depending on the variety. Don't bag. Check for chinch bugs if you have St. Augustine grass. Damage will appear as dried out areas that are yellow to brown. Chinch bugs are very small-about the size of a period at the end of a sentence. Because they work as a group, they can suck the moisture out of the grass. You can use Lawn Insect Control, Leaf Ranger or Bifin IT to keep them in check.

To get rid of baby mole crickets (they can't fly yet) Mole Cricket Bait, Merit or Dylox products will work.

Be sure the lawn gets at least 1 inch of water a week.

Interested in a butterfly garden? Good plants for this are: Butterfly Weed (Monarch butterflies lay their eggs on this plant. The larvae feed on the foliage,) Butterfly Bush, Mexican Sage, For humming birds plant Bottle Brush, Alliums, Yarrow, Verbena, Bee Balm, Hibiscus, Plumbago, Honeysuckle and black-eyed Susan. Anything red will attract them. Be sure to include a water feature (birdbath) as well.

KNIGHT OF THE YEAR

Knight of the year is Brother Tom Kelly. Tom joined the Knights in 1992 and has been an active member of our council for the past 13 years. He is a Fourth-Degree Knight and has served our Council as Financial Secretary for nine years. In this capacity he has become known as the "Answer Man". There is not much that Tom doesn't know about every member of our council. When something needs doing, Tom is the man you go to. You'll find him at every fund raiser, lending support where needed. He is a regular volunteer at Christ Our King Church and volunteers at ECCO. He shares his time freely with those in need.

Tom and his wife Pat relocated to Mount Pleasant from Greece, New York, a suburb of Rochester. After 30 years of service, he retired as Battalion Chief of the Community Fire Department. Tom and Pat have two grown children, Mark resides in Summerville and Kristin lives in Rochester, NY. They also have two grandsons, Nathan and Arron who bring them great joy.

A WORTHLESS PIECE OF PAPER

One of my fellow field agents recently called on a Brother Knight who allowed his Knights of Columbus insurance policy to lapse by not paying his premiums. This field agent simply called to ask if he would please return the lapsed policy. Because the member considered the policy to be worthless now, he asked the agent why he wanted it back.

The field agent replied that when the member died, he wanted to avoid the unpleasant task of explaining to his widow and children that the policy was worthless. He wanted to avoid the excitement the widow would feel when she found what she thought was a life insurance policy, only to become further depressed when she found it was useless and belonged in the wastebasket.

Fortunately, this story has a happy ending. The member in question was able to conserve this valuable protection for his loved ones by reinstating his insurance.

THE INSTALLMENT PLAN

Have you ever thought of buying money on the installment plan?

Most of us have bought, and are buying, several things on the installment plan. It is the accepted way to buy many large items- a home, a car, or other expensive household items.

Really, installment buying gives the average working person a chance to have many of the things not otherwise affordable. But- and it is a big "but"- if you default on your payments, you lose your equity. Isn't that right?

One of the things you can buy, and still retain your equity if you have to default on payments, is cash value life insurance.

Cash life insurance means money for future needs. It can be purchased on the installment plan and come back in the form of cash to you or your family when it's needed most.

Call me today so we can talk about money for your future.

Sincerely and Fraternaly,
Field Agent
