

EAST COOPER KNIGHTS

OCTOBER 1, 2005

THE VOICE OF COUNCIL #9475 VOLUME 18 NUMBER 10

GRAND KNIGHTS REPORT

My Brother Knights,

We have a very special guest for our October 18th meeting where retired Bishop David Thompson will give a talk on the Eucharist. What an honor it is for our council to have such a distinguished visitor. Let's pay Bishop Thompson the respect he deserves by attending this meeting. We'll begin with a 6:30 meal followed by his talk and our regular business meeting.

As many of you know this month concludes the Year of the Eucharist. Our council has scheduled several activities around this topic including both a men's and ladies retreat and publication of several articles on our website. I want to thank Paul and Marianne Midghall, Bill Harrington, Michael Swindle, and Melinda Whitman for their help with these events.

Our spaghetti dinner was a great success with over 200 attendees. In addition to over \$1000 profit this dinner was a wonderful social event for our friends and families. My sincere thanks to Mickey McMahon, Don Lindeman, Joe Horst, Tom and Fran Franzone, Joe and Peggy Harkins, John and Nancy Murphy, Joe and Barbara Tarr, Melinda Whitman, Barry Sturmer, Rick Karkowski, and the two volunteers from Stella Maris school for their hard work. We're already planning a repeat in January.

At our last meeting we welcomed Patrick Lamontagne and Steve Shumaker to our council when they receive the honors of 1st degree. I'd also like to congratulate Stan Adams, Darin Bish, Rocco Falcone and Don Lindeman who made their 3rd degree this past month.

October's calendar is again full and includes our annual book sale from the 6th through the 14th, our annual harbor cruise on the 15th, a blood drive on the 23rd, and Halloween social on the 29th. Details on each event are listed in this newsletter.

Please keep the victims of hurricanes Katrina and Rita as well as our troops and religious in your prayers.

God Bless You and God Bless America,

Neil Whitman **Grand Knight**

KNIGHT OF THE MONTH

Fr. Robert Higgins

Our honoree this month is the new Parochial Vicar at Christ Our King. Fr. Higgins was born in Liberty, NY on 8/22/60, which is where he also was raised. His father lives in Livingston Manor, NY, his mother in Brunswick, GA and his sister in Atlanta. He graduated from Fordham University in 1982 with a double major in English and Education. Following graduation he worked as a high school English teacher, a high rise construction manager, a restaurateur and a stockbroker before answering the call to the priesthood. He has achieved the 4th Degree in the Knights of Columbus and first joined our society in 1993.

He first received his vocational call when he was 6 years old but did not start to act on it until 1978. He graduated from St. Vincent De Paul Regional Seminary in Boynton Beach, FL in 2005. He was ordained as a Deacon in May, 2004 and as a Priest 7/23/05. He met Bishop Baker in 1993 in the Virgin Islands and developed a relationship that resulted in his assignment to our dioceses.

He has been very active in all of the activities of both the church and the Knights since his arrival here in June. He has a special interest in working with seafarers and says Mass, hears confessions and provides spiritual support to at all of the ports in the Charleston area on his day off. He started working with that particular ministry in 1998 during his seminary studies and was trained at the Seamen's Church Institute of New York / New Jersey. He also acts as an advocate for their human rights when required and his fluency in Spanish comes in handy sometimes.

It is not a surprise that a person of his activity level has exercise as his hobby. We have been truly blessed as a group to have a Priest with his level of interest and involvement in our Council.

CONGRATULATIONS FR. HIGGINS

Our sincere condolences to Mary Mannix and Family on the death of her husband Jim Mannix who passed away on Sept. 4th. Our thoughts and prayers are with you.

DOMINATION OF THE EUCHARIST

During the 13th century St. Anthony of Padua was reported to have converted a hardened heretic through a rather unique contest. The heretic, by the name of Bononillo, was unmoved by the reasoning of St. Anthony.

He asked Bononillo whether he would give up his heresy if his mule were to bow down and adore its Creator who is present in the Blessed Sacrament. The heretic answered he would, provided, he could lay down certain conditions. For two days the mule was not to be fed, and on the third day it was to be led into the public square. On one side of the square would be placed a tempting pile of fresh feed, on the opposite side Anthony could stand with the Eucharist. Anthony agreed under the condition that if he failed, he alone would be blamed because of his own sins.

On the day of the contest Bononillo arrived with his half-starved mule in the town square, which was crowded with observers. He was fully confident that his mule had sense and appetite enough to go after the feed. But he was wrong. Anthony had implored his Lord in the intervening two days for the soul of this heretic. God did not let his faithful servant down. When turned loose, the mule without the least hesitation advanced towards Anthony and knelt in an attitude of adoration before the Blessed Sacrament. With much emotion and contrition the heretic too fell on his knees and gave up his heresy. As wonderful as these miracles are; the greatest of all, transubstantiation, has to be viewed with the eyes of faith by the recipients of the Eucharist.

BOOK SALE

The Book Sale will be held Thursday, Oct. 6th thur Friday, Oct. 14th, 9 AM to 6 PM, at the new BiLo Shopping Center on Ben Sawyer Blvd. Set-up will be Mon. Oct. 3rd, 4th and 5th. Volunteers are needed. Please call John Murphy @ 971-8622.

Please Note—

GARDENING COLUMN

by

Peggy Kiser, Clemson University Master Gardener

Perennials, such as candytuft, dianthus, Shasta daisies, snapdragons, pansies and stock; biennial and cool-weather annual beds should be planted when it cools off.

New trees and shrubs should be planted then as

well. Planted in the fall, they will grow faster in the spring.
Long and irregular shoots on evergreen shrubs can be
pruned, just to shape. Wait until early spring for any major
pruning.

Daylilies, liriope and ajuga can be divided if necessary.

To prepare roses for winter, lightly prune any very long canes, spray for insects and diseases. Remove and replace mulch.

Tulip and hyacinth bulbs should be refrigerated for planting in late December or January.

It's too late to fertilize warm season grasses. Bermuda, centipede and St. Augustine will go dormant during the winter months. They need to slow their growth to prepare for winter.

Use soap flushes to check the lawn for mole crickets. If necessary, treat with appropriate insecticides.

A mulching lawn mower will crush falling leaves so that they will decompose faster and benefit the soil. Crushed leaves make good mulch.

Buy mums that are barely showing color for longer blooming period. If you remove dead blooms, they may bloom again. Refill bird feeders (including humming bird feeders), suet cages and bird baths for migrating birds.

You can encourage butterflies by growing colorful flowers for both the adults and some plants for the caterpillars. Native plants are tolerant of local conditions, tulip poplar, sweetbay magnolia and sassafras trees are good host

plants. Caterpillars also eat crabgrass, clover and violets. Butterflies like coneflowers, bright zinnias, pentas, lantanas, verbenas, salvias and old-fashioned hollyhocks. One of the best-known host plants for the larval stage of the monarch butterfly is the butterfly weed. Every leaf may be consumed by the larvae but it will survive and come back the next year.

IS COLLEGE IN THE FUTURE?

If you could buy a \$300,000 estate for each of your children for just a few dollars a week, would you be interested?

You can do it! Reports from the American of Universities and Colleges show that, on the average, the value of college education in a lifetime earnings is over \$300,000.

A college education is one of the greatest gifts any parent can give a child. Unlike stocks, bonds, real estate, and other investments that make up ordinary estates, an education can never be wiped out by a poor economy.

Where will the money come from for college? You hope you"ll be able to help- but why hope when you can guarantee? The price of that guarantee is just a few dollars a week until they are ready for college.

Let me help plan for your children's education.

A NEW WORLD OF PROTECTION

Many of you asked about the Discover- one of the latest additions to the Order's portfolio.

The Discover is a new plan of insurance offered to you and your family. In a nutshell, it is the most modern method of protecting your life- a custom designed package of life insurance at low rates. You decide how much coverage you want. You decide on the amount of your premium. We will match the two, and The Discover will do the rest by blending whole life and term insurance just for you and your family.

I would like to tell you about the Discover, And show you how it can serve your needs
