Hurricane Relief Tops Charitable Initiatives in 2005

Led by a massive response to the hurricanes that devastated the southern United States, the Knights of Columbus announced today that it set new records for charitable giving and volunteer service hours in 2005.

The results of the Order's annual Survey of Fraternal Activity for the year ending Dec. 31, 2005, show that total contributions to charity at all levels reached \$139,711,619 – exceeding the previous year's total by nearly \$4 million. The figure includes \$33,638,426 donated by the Supreme Council, \$12,685,401 given by state councils, and \$93,387,792 in charitable donations from local councils, Fourth Degree assemblies, and Squire circles.

The survey also shows that the reported number of volunteer hours by Knights for charitable causes grew to 64,039,706 hours, up nearly 1 million hours from 2004. Additionally, members contributed another 8.5 million hours to fraternal service activity. There were 399,264 Knights of Columbus blood donors during the year, and Knights made more than 5.4 million visits to the sick and bereaved.

Many of the monetary donations and hours of service were in support of relief efforts along the Gulf Coast in the wake of Hurricanes Katrina and Rita. The Knights response to the tragic storms was swift and significant. Disbursements of an initial \$2.5 million allocation for storm relief began two days after Hurricane Katrina struck New Orleans, and a dollar-for-dollar match was established for donations provided by its members.

Knights from across the United States and Canada traveled to the storm-damaged region to assist in clean-up and recovery initiatives. Local councils also provided meals and the use of their facilities to rescue crews and victims in the weeks following the hurricanes.

Cumulative figures show that during the past decade, the Knights of Columbus has donated more than \$1.208 billion to charity, and provided in excess of 574 million hours of volunteer service in support of charitable causes.

SCHEDULE OF STATE WIDE EVENTS

June 2006

- 15 Form 185 Due
- 24-26 DD Workshop
- 30 Forms 2630 & SP 7 Deadline

It's Time to Update the Mailing List

This is the last issue of the Palmetto State Bulletin for this fraternal year. On July 1st, new officers, directors and chairmen take over.

This requires an update to the mailing list. Until I get new data, I will continue to send the bulletin to the 2005-2006 leaders. Please pass the bulletin to the new leaders and send me their name, office, council, and email address.

From The State Deputy

Worthy Brother Knights,

I thought my first year as your State Deputy was great but, you showed me what you can accomplish for the State Council over and above last year. You my Brothers have been the reason for everything accomplished. From the Katrina Relief funds of almost Forty Thousand Dollars, to the record breaking; HOPE Foundation drive of just under, Three Hundred Thousand Dollars and then turning around and gathering in just under \$47,000.00 in the Charity drive.

THANK YOU—— THANK YOU—— THANK YOU——
THANK YOU——

Your State Secretary, Treasurer, Advocate and Warden carried the load of work for the State Council. Each meeting held by the State Council was discussed and planned for your benefit. No stone was left un-turned preparing for the meetings. The Charity drive directed by Bob Ficco, pretty much left everything in your hands and you showed how generosity works. Bob also was charged to handle the planning of the convention. Great Job!

Tom Monahan handled the duties of Program Director, ICC Chairman and Coordinator of purchasing plaques for the Convention and handled the elected position of Advocate, in stride. Outstanding!

Richard Gabriel handled his responsibilities as the Warden in stride ensuring that the sites for all our meetings were in good order. In addition to those duties, Richard was acting Protocol Chairman, Captain of the coastal third degree team, Vocations Chairman and Chairman of Keep Christ in Christmas and Pennies from Heaven, fund raisers. Super job!

State Treasurer, Joe Gubeli, probably had the toughest of responsibilities in keeping track of the State Councils funds and calming my nerves plus our Budget and Finance chairman's insistence on reviewing the accounts.

Our ladies were awesome also, caring for many organizations, like the Birthright of Hilton Head and Hands Goose Creek, the Guardian Ad Litem of Charleston and the United Ministries of Greenville. These groups provided valuable information about their groups to all of us.

Our District Deputies are the backbone of everything we do in our Order. They are the mentors for each of the councils they

State Deputy continued on page 5

From The State Chaplain

Each month of the year is dedicated to a particular thought or devotion of our Catholic Religion. We all know that May is the Month of Mary. That is by far the most well known of these monthly devotions. We are now moving through June and July and the weather is so miserably hot that it is difficult to think of anything else. But, June is the Month of the Sacred Heart of Jesus and July follows as the Month of the Precious Blood of Jesus. Take a minute now just to reflect on those two.

If you were in a strange place where Christianity is virtually unknown and someone asked you, "What is the most important thing about your Christian Religion?" What would you say? How would you answer that in a brief statement? Think about this. The best answer would be, "God loves me very much!" How about that! God loves me very much! It's true, isn't it? That's a very good answer because it speaks so fully about our Faith. God loves me very much. Because of my fall from His grace and entrance into human sin through Adam, God Himself became a man and allowed Himself to be tortured and executed on a Cross as the act of reparation to God the Father I was not able to make because of my sin. By doing this He redeemed me restoring me to His grace. Then He rose from the grave of death to show me and the devil His victory over sin. He did that because He loves me - He loves each one of us infinitely and He expressed it by His death and resurrection. Jesus won. The devil lost.

That infinite love for each one of us is constantly put before us as meditation and devotion by the apparition of Our Blessed Lord showing His Heart, His Sacred Heart. He shows it as a vast furnace of love and if we come members of His Mystical Body through baptism I like to think that from a devotional point of view we enter His Body through the Sacred Heart, the entrance was of burning love which holds us in His Church His Mystical Body. That's our June thought. Now, July is the Month of the Most Precious Blood and that's what Jesus poured out for us men and for our salvation when He was crucified on Good Friday. His Precious Blood is the price of our salvation and the outward and visible sign of His infinite love for each of us. He believes we are worth the price of His Divine and Most precious Blood. That's a real expression

From the Membership Director

Jack Cavagnaro, PGK State Membership and Retention Director

May was a good month for membership in South Carolina. We brought in a very impressive 56 new brothers. Unfortunately, we lost 11 more, but still finished with a nice net gain of 45 for the month. I'm sure that many of these additions came from our Spring Blitz. There is still time to get the rest of our prospects to their 1st degrees by year-end.

With one month left, we are at 82% of goal. We should be at 91%. With a very strong June, without losses, there is still a chance to make 100% for the first time in several years. Now is the final call to add that one new member, or insurance member, to make STAR council, the best legacy you can leave behind. Do whatever it takes, so that there are no regrets. And remember to see that the Form 100s are registered with Supreme by June 30th.

Congratulations to all Grand Knights and Membership Chairmen who qualified for State Deputy Ray's golf shirt promo-

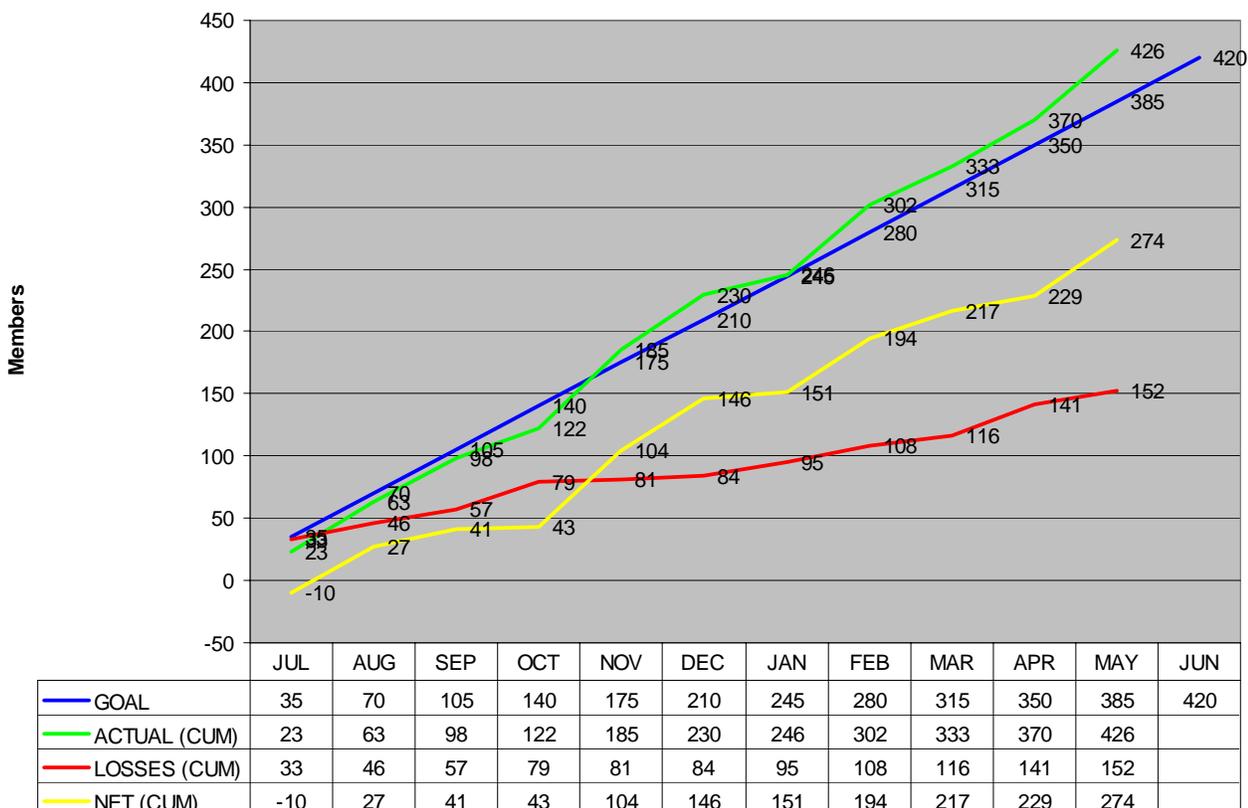

tion by gaining 100% plus of net membership quota by May 31st. Your councils are our leaders and we thank you for recognizing the importance of membership growth and making it happen during the past year. I will be in phone contact with winners this week to offer my personal thanks and get your shirt sizes.

Our very best wishes to our new State Officers being installed on June 24th, to be led by State Deputy elect, Bob Ficco. Also our best to all new incoming council officers, recently elected, and soon to be installed. Be sure to dedicate yourselves and your councils to the achievement of STAR council for the coming year, and be prepared to "hit the ground running" on July 1st. Remember that if you are not satisfied with past results, or believe you can improve, you will need to consider new ways of management in the year ahead.

Let's finish strong together and look for ways to continue to do better in '06-07'.

Vivat Jesus!

Membership

From the State Ceremonials Chairman

Michael W. Telesco, PSD

REMINDER: The closing date for the DEGREE CEREMONIAL AWARD is June 25, 2006. District Deputies will submit their degree report before that date. If a First Degree is held close to the cut-off date, please e-mail the information. The awards will be presented at the July Grand Knights workshop in Columbia.

First Degree Standing as of June 7 is published in this bulletin. Those councils that have RE-CERTIFIED FIRST DEGREE TEAMS are noted with an asterisk.

DISTRICT LEADERS: (RE-CERTIFIED FD TEAMS)

District 2, Johnny Nix	125% of goal

It is with mixed emotions that this will my last column from the Desk of the Ceremonial Chairman, I will retire from this position effective June 30, 2006. I began writing this column on July 1, 1990. It has been a great ride since that day in September 1981 when PSD Nettles asked me to form 2nd and 3rd teams for the state. Traveling with 3rd degree teams around the state has been a great privilege to meet so many dedicated ceremonialists from 1st, 2nd degree teams all dedicated to teaching the lessons of the degrees. I have seen our state grow and in large part is was due to the dedication of degree teams. My thanks to the team captains of 3rd degrees who have traveled thousands of miles doing degrees, giving up their Sat/Sun... I was able to accomplished this due to the support of my wife Phyllis. For that I am thankful. God Bless you all.

All of those mentioned in this article are only part of the greatness we have in this jurisdiction. All the Chairman, Directors and committees listed on the back of this bulletin also make up the State Council and have contributed to the success of this year.

I started this article describing some of our accomplishments and you my Brothers have been the reason for everything accomplished.

One last thing I want you to know is how much Trudy and I love each one of you. Thank you for your hospitality and generous attitudes.

Thank you for all that you do in the name of our Brother and Lord.

Fraternally,

Ray Hock

State Deputy

Chaplain continued from page 2

of His love and we need to try daily to live in response to that love. The most important thing about the Catholic Religion is that God loves me very much in spite of what I am like. That means each and every one of us. God loves even the most unloveable terrorist or atheist. The Catholic Faith is not just a system of belief. It is something to be. By that we mean that we are beloved and we strive to love God.

Sacred Heart of Jesus; have mercy on us!

Precious Blood of Jesus; have mercy on us!

Fraternally in the Heart and Blood of Christ,

Rev. James Parker State Chaplain

**Health Services Byline**

MD, MHSA

“Medical Health Insurance Part II .

The Players, Insurers, Employers, and the
Physicians”

Last month we breached or rather defined “the issue” with medical health insurance and problems with increasing health care costs. We will now look at the health care players more in depth and finally next month some probably intelligent suggestions etc. to help with the increasing cost and frustrations. From a health insurance point of view (the users of the system) we believe that they finally understand that the HMO’s of the 80s and 90s were a failure because they not only did not improve Medicine but they restricted health care access (to physicians, to hospitals, and to specific testing) despite increasing costs and increasing deductibles.

Because insurance rates have been out of control and business profits have been so variable, large and small employers are feeling the economic pinch and they are looking for a way to avoid giving health care benefits to their employees.

For physicians, the malpractice liability issue where average jury awards range from one half to one million dollars, this is a top issue. This issue alone, accounts for markedly increased costs especially in the high risk specialties i.e. Orthopedics, OB/GYN, and Anesthesia and is causing physicians to relocate or close their practices which is already beginning to cause geographic doctor shortages. Doctors cannot do everything for their patients on a 15 minute per patient time schedule.

Are there any answers to some of these problems? Of course there are and next month we will try on some suggestions for size.

REMEMBER: Everyone benefits from reducing medical costs. Think about it! See you all next month.

LUPO

Patriot's Corner

Submitted by Richard E. Koehler, PSD District Master

As we close the fraternal year I would like to remind all Sir Knights that at about the time you receive this newsletter Flag Day will be here. This is a time that we as Fourth

Degree Knights should show our friends and neighbors our patriotism by flying our flag. We are the patriotic arm of the Knights of Columbus and stand as one nation under God, so I say to you Brother Knights "Be a Patriot."

There are two other things to be done in the month of June. One is for each assembly to submit a Civic Award application (#2321) form found in the assembly reports forms booklet #325 or on the K of C web site. In order to qualify for this award the following procedures must be observed. Each assembly must conduct and report at least four (4) varied patriotic programs during the fraternal year 2005-2006. It must be signed by the Faithful Navigator and submitted to the Supreme Council Department of Fraternal Services by June 30, 2006. The award application may be electronically filed and a copy must be sent to the Master and Vice Supreme Master.

The second thing is "To Be a Patriot Award." In order to qualify for this each assembly should submit form # TBP2 also found in the assembly report forms booklet on on-line at www.KofC.org. This has to be submitted to the Master of the District by June 30, 2006. The assembly should pick the best patriotic activity conducted during the fraternal year. Supporting material, i.e., photographs, news paper articles, must also accompany this application. Upon receipt of all entries the Master will form a committee to determine the winner. The District award winner will then be submitted to the Vice Supreme Master who will select a winner for the DeSoto Province; this winner will be submitted to Supreme.

Below is the Master's schedule of Installation of Assembly Officers for the months of June, July and August:

JULY

- 9th Hilton Head
- 15th Florence
- 16th N. Myrtle Beach
Myrtle Beach
Garden City
- 21st Charleston
- 28th Sumter
- 29th East Columbia

AUGUST

- 4th Simpsonville
- 5th Spartanburg
- 6th Taylors

Assemblies that are not yet scheduled should contact the Mas-

ter as soon as possible.

One more thing as I close out this year. I would like to thank you my Brother Knights who are not yet members of the Fourth Degree. Now is the time for you to let someone, who is a Fourth Degree member in your council, know that you are interested in becoming a member. Some of our assemblies are small and need new members to join their ranks so that they can become strong and more visible within our communities

Fraternally Yours,

Richard E. Koehler, PSD,

Master South Carolina District

DeSoto Province

From the Family Activities Director

Congratulations to the Family of George & Eileen Beckett, Council 6629, Summerville for being selected as KNIGHTS OF COLUMBUS SUPREME COUNCIL "FAMILY OF THE MONTH" for the month of APRIL 2006. The Family of the Month selected at Supreme is selected by random drawing from all nominees submitted from councils throughout the order. For the month of April only 9 councils from South Carolina submitted Family of the Month nominees. As the end of the fraternal year approaches let me know about the "Family of the Year" for your councils. I continue to solicit information about projects that involve the family from each council. I will submit these events for publication in this bulletin.

I have been in touch with Kathy Schmugge, the Family Life Coordinator for the Diocese and she encourages us all to support the Marriage Amendment by sending in the post cards. This is an excellent family function and could prove to be extremely important.

Fraternally yours,

Jim Alford

From the Pro Life Chair Couple

Jim & Bobbie St. Clair

Dear Brother Knights,

Ignorance is an expensive commodity. We have discovered this axiom quite some time ago and have repeatedly seen it to be a very true statement. People who “don’t know” consistently miss out on many opportunities to further their exploration in “the game of life”. Remember the parable where the servant took his master’s money and buried it in the ground, for fear he would lose it. The master chastised him saying, “at least you could have invested it to earn interest!” The implication here is that an interest bearing investment was the **least** that the servant should have done. In other words, he should have invested it in a way that an attractive return would have been rendered. When people don’t know how to better themselves, they usually do nothing (rather than experiment or search for better ways to live their lives). It’s called, hibernation. Another way that ignorance “costs” us betterment is when we have no clue that what we are doing is inferior or is robbing us of an opportunity to excel. We are oblivious to our opportunities lost.

This concept that we are speaking of can be applied to business ventures, home economics, education, sociology, health management, legal matters, leisure expenditures, the list is endless. But let’s get to an area where ignorance can be deadly; that is, ignorance of our Catholic faith, ignorance of God’s Will for each of us. Spiritual ignorance could cost us dearly. Fortunately (and gloriously) we have God’s Mercy to help us with our shortfalls, but Jesus clearly challenged us to exert ourselves to the best of our ability to know and learn more about our Catholic faith. Please do not be offended by our use of the word ignorance. Unless one’s name is spelled G-O-D, we are ALL ignorant to one degree or another. The key is, are we trying to learn more about our Catholic faith? Do we even care?

We have been trying for the last two years to write newsletter articles which have expanded everyone’s knowledge of an issue held closely to God’s Heart....the issue of life. God’s greatest gift to us was that of life.....our personal life, the life of Jesus, and His bread of Life. Respect for all life is imperative and we need to know about the threats to it. So let us review those threats: Abortion; contraception; murder; euthanasia; deceptive Living Wills (as opposed to a Will to Live); embryonic stem-cell research; and voting for the candidate which promises us the most “give-aways” rather than the candidate that stands for the ethical, high moral ground. We have tried to inform you on all of these issues. We have tried to lead you on to stand up for the American principal of public protest by organizing: The Stand Up for Life March and Rally in Columbia; the Right to Life March in Washington DC; the Respect Life Chains in your hometown; Abortion Mill Rosary

services; Day of the Unborn Child memorial services; letter writing and telephone campaigns to your legislative representatives; and, displaying protest/Choose Life ribbons and pro-life license plate frames on your car. We have asked you to say special prayers at home and at your council meetings for the respect of all life from conception to natural death.

The fight will not end until we all stomp out our ignorance’s with the Light of Christ. Logically, that time will not occur until we make a commitment. Our commitment must be to study the faith and decide to follow it with our daily actions and decisions. The number one priority must be to live our Catholic Faith with gusto and honesty. Our Catholic moral conscience will many times lead us to donate our charitable contributions in ways that will defend life. It will be a sacrifice, or it will be not enough. The early Christians fulfilled their commitment to God in ways that cost them their lives. Today, we are in the business of trying to save the lives of others: unborn children; infirmed or invalids; the elderly; and, the poor. Make defense of life your priority. God and His Blessed Mother will be eternally grateful to you for it!

This will be our last article and we are proud to say that so many of you have answered our challenges. It has been a delight to encourage you, dear brothers. May the Light of Christ remain with all of you, faithful brothers.
